FINAL JUDGMENT AND ORDER OF DISMISSAL WITH PREJUDICE

This matter coming before the Court on Plaintiffs' Motion for and Memorandum in Support of Final Approval of Amended Class Action Settlement between Plaintiffs 1050 West Columbia Condominium Association, RBB2, LLC, MJM Visions, LLC, and Kay-Kay Realty, Corp. ("Plaintiffs") and Defendant CSC ServiceWorks, Inc. ("Defendant") (Plaintiff and Defendant are collectively referred to as the "Parties"), the terms of which are set forth in the Parties' Stipulation of Amended Class Action Settlement (the "Amended Settlement"), and Plaintiffs' Motion for and Memorandum in Support of Attorneys' Fees, Expenses, and Incentive Awards, the Court having been advised in the premises, and having duly considered the papers and arguments of all interested parties, including the filings listed in Paragraphs 3 and 5, and having held a Final Approval Hearing on February 16, 2022, which was continued on March 2, 2022, April 1, 2022, and April 27, 2022,

IT IS HEREBY ORDERED, DECREED, AND ADJUDGED AS FOLLOWS:

1. Unless defined herein, all capitalized terms in this Order shall have the respective meanings ascribed to the same terms in the Amended Settlement.

2. This Court has subject-matter jurisdiction to approve the Amended Settlement, including all attached exhibits, and personal jurisdiction over all Parties to the Action, including all Settlement Class Members.

3. The Court previously preliminarily approved a class action settlement of this matter on November 22, 2019. After more than a year and a half of additional status hearings before the Court and after litigating objections filed by settlement class members in the initial settlement, the Parties, with the assistance of a third-party neutral, the Hon. James F. Holderman (Ret.), negotiated the Amended Settlement. The Court has considered the filings related to that initial settlement, including Plaintiffs' motion for and memorandum in support of preliminary approval of the initial settlement; briefing related to the settlement class members' objections, motions to intervene, and motions for leave to take discovery; Plaintiffs' fee petition in connection with the initial settlement; and Plaintiffs' motion for and memorandum in support of final approval of the initial settlement on the initial settlement.

4. On October 25, 2021, this Court preliminarily approved the Amended Settlement, and certified, for settlement purposes, the Settlement Class consisting of: "all Persons having existing leases with CSC on May 1, 2017, that were assessed and/or subject to one or more Administrative Fees, whether or not any fee has ever been collected, from May 2017 through the date of Preliminary Approval."¹ The Court confirms certification of the Settlement Class for settlement purposes.

¹ Excluded from the Settlement Class are (i) all individuals and entities who have had their claims regarding the Administrative Fee adjudicated on the merits or otherwise released; (ii) any Judge or

5. In addition to Plaintiffs' Motion for and Memorandum in Support of Preliminary Approval of the Amended Settlement filed on October 12, 2021, the Court has considered the following filings submitted in connection with the Amended Settlement: Plaintiffs' Motion for and Memorandum in Support of Attorneys' Fees, Expenses, and Incentive Award, filed on December 6, 2021; Plaintiffs' Motion for and Memorandum in Support of Final Approval of the Amended Settlement, filed on February 2, 2022; Plaintiffs' Statement Regarding Attorneys' Fees, filed on March 1, 2022; and Plaintiffs' Supplemental Brief Regarding Attorneys' Fees, filed on March 23, 2022.

6. Supplemental Notice to the Settlement Class has been provided in accordance with the Court's order granting Preliminary Approval. The substance of and dissemination program for the Supplemental Notice—which included direct notice via email or U.S. Mail to all Persons in the Settlement Class using the best-known mail and/or email address in Defendant's records, the creation of the Settlement Website, and the content therein which this Court individually reviewed prior to granting Preliminary Approval—provided the best practicable notice under the circumstances, including individual notice to all Settlement Class Members who can be identified through reasonable effort; was reasonably calculated under the circumstances to apprise the Settlement Class of the nature and pendency of the Action, the definition of the Settlement Class, the class claims, issues, and defenses, and the rights of the Settlement Class to object to or exclude themselves from the Amended Settlement and to appear at the Final

Magistrate presiding over the Action or the actions listed in Paragraph B of the Amended Settlement regarding the Administrative Fee and their family members; (iii) CSC, its subsidiaries, parents, successors, predecessors, and any entity in which CSC or its parents have a controlling interest and its current or former employees, officers, and directors; (iv) persons who properly executed and filed a timely request for exclusion from the Settlement Class, including any person who timely excluded himself, herself or itself from the initially proposed settlement of this matter, unless they submitted a Claim Form in connection with the Amended Settlement; and (v) counsel for all Parties and their family members.

Approval Hearing; was reasonable and constituted due, adequate, and sufficient notice to all persons entitled to receive notice; and fulfilled the requirements of 735 ILCS 5/2-803 and Due Process.

7. The Amended Settlement was the result of arm's-length negotiations conducted in good faith with the assistance of a mediator by experienced attorneys familiar with the legal and factual issues of this case and is supported by the Class Representatives and Class Counsel. The Class Representatives and Class Counsel adequately represented the Settlement Class for purposes of entering into and implementing the Amended Settlement.

8. The Court has considered each of the factors set forth in *City of Chicago v. Korshak*, 206 Ill. App. 3d 968, 971–72 (1st Dist. 1990). The Court finds that the Amended Settlement is fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members in light of the complexity, expense, and duration of the litigation and the risks involved in establishing liability and damages and in maintaining the class action through trial and appeal. The consideration provided under the Amended Settlement constitutes fair value given in exchange for the Released Claims. The Court finds that the consideration to be paid to Settlement Class Members is reasonable, considering the facts and circumstances of the claims and affirmative defenses available in the Action and the potential risks and likelihood of success of alternatively pursuing litigation on the merits.

9. The Court finds that (i) 9,706 Approved Claims have been submitted, resulting in \$5,025,648.05 in checks to be paid to Settlement Class Members; (ii) for the Approved Claims associated with contracts that have not yet been renewed, re-signed, or expired, such contracts will have the Administrative Fee suspended until those contracts expire, are renewed or re-signed, or new contracts are entered into; (iii) CSC has waived at least \$197,500,000.00 in

potential claims that it asserts it is entitled to in connection with its contracts with Settlement Class Members; (iv) CSC may not raise the Administrative Fee rate above 9.75% of Settlement Class Members' gross collections for two years following the Effective Date; and (v) CSC must disclose the existence, application, and rate of the Administrative Fee in all new contracts, addendums, and amendments following the Effective Date.

10. The Settlement Administration Expenses that CSC will pay the Settlement Administrator separately from the settlement benefits total approximately \$140,400.00.

11. No Settlement Class Member—including any Settlement Class Member that objected to the initial settlement of this matter—has objected to any of the terms of the Amended Settlement. Additionally, while the Court was open to the public for each date on which the Final Approval Hearing was held, no Settlement Class Member appeared either in person or via Zoom to object to any of the terms of the Amended Settlement.

12. Those Settlement Class Members listed on Exhibit A to this Order have submitted timely and valid requests for exclusion and are excluded from the Settlement Class and are not bound by the Final Order and Judgment.

13. The Parties and their counsel are directed to implement and consummate the Amended Settlement according to its terms and conditions. The Parties and Settlement Class Members are bound by the terms and conditions of the Amended Settlement.

14. The Amended Settlement is hereby finally approved in all respects, and the Parties are hereby directed to perform its terms.

15. Other than as provided in the Amended Settlement and this Order, the Parties shall bear their own costs and attorneys' fees.

16. Subject to the terms and conditions of the Amended Settlement, this Court hereby

enters a Final Judgment and dismisses the Action on the merits and with prejudice.

17. Upon the Effective Date of the Amended Settlement, the Releasing / Released Class Parties, and each of them, shall be deemed to have released, and by operation of this Final Judgment shall have, fully, finally, and forever, released, relinquished and discharged all Released Class Claims up through and including the Effective Date against each and every one of the Releasing / Released CSC Parties. This release shall not include the Unaffected Claims.

18. Upon the Effective Date, the Releasing / Released CSC Parties, and each of them, shall be deemed to have released, and by operation of the Final Judgment shall have, fully, finally, and forever, released, relinquished and discharged all Released CSC Claims up through and including the Effective Date against each and every one of the Releasing / Released Class Parties. This release shall not include the Unaffected Claims.

19. The Amended Settlement is binding, and has res judicata and preclusive effect, as to Settlement Class Members. All Settlement Class Members are hereby permanently barred and enjoined from filing, commencing, prosecuting, intervening in, or participating (as individuals, class members, or otherwise) in any new or existing lawsuit or other action in any jurisdiction relating to the Released Class Claims.

20. The Parties may, without further approval from the Court, agree to and adopt such amendments, modifications, and expansions of the Amended Settlement and its implementing documents (including all exhibits) that (i) shall be consistent in all material respects with this Final Judgment; and (ii) do not limit the rights of Settlement Class Members.

21. The Court awards to Class Counsel \$6,500,000.00 as a fair and reasonable attorneys' fee, which shall include all attorneys' fees and reimbursable expenses associated with the Action. This amount shall be paid by Defendant pursuant to the terms in the Amended

Settlement.

22. The Court awards to each Class Representative an incentive award of \$5,000.00 for their time and effort serving the Settlement Class in this Action. These amounts shall be paid pursuant to the terms in the Amended Settlement.

23. To the extent that any payments made to Settlement Class Members pursuant to the Amended Settlement are not cashed within one hundred twenty (120) days of issuance, the total amount of uncashed checks shall be paid to the Illinois Bar Foundation as a *cy pres* recipient, consistent with 735 ILCS 5/2-807(b).

24. All other pending motions in this matter are denied as moot.

25. Without affecting the finality of this Final Judgment for purposes of appeal, the Court retains jurisdiction as to all matters related to the administration, consummation, enforcement, and interpretation of the Amended Settlement and this Final Judgment, and for any other necessary purpose.

IT IS SO ORDERED.
